KONZERNATLAS 2017 / ARCHIV

What is Slow Food?

- an international eco-gastronomic, member-supported, non-profit organization
- founded in 1989 to counteract fast food and fast life and promote local sustainable food
- a grassroots **network** whose supporters are linking the pleasure of good food with a commitment to their community and the environment

www.unisg.it

Ark of Taste

- Created in 1996
- The Ark of Taste travels the world collecting small-scale quality productions that belong to the cultures, history and traditions of the entire planet
- Today over 4,600 food products are on the Ark worldwide

10,000 Gardens in Africa

Tanzania

The Slow Food Youth Network

The Slow Food Youth Network (SFYN) is a worldwide network of young people

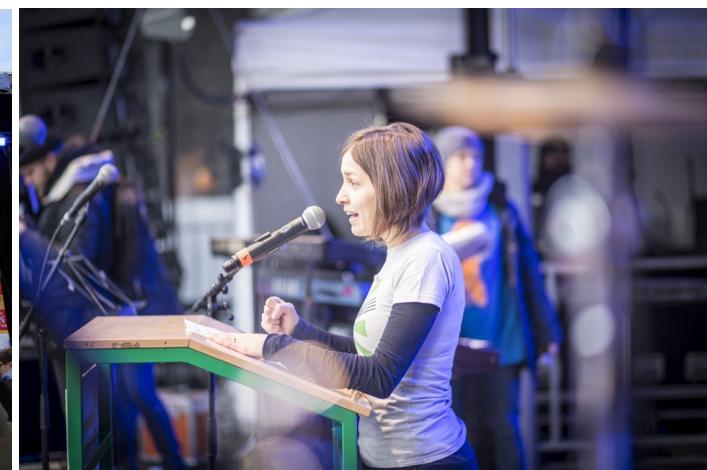

Through their unique events and activities, SFYN groups raise awareness about important food issues such as how to feed the world, food waste and sustainable food production, stimulating positive action.
